68.76% D+ Current score Progress:

Menu Bar - Upper Left Hand Corner

Check your grades, notes from your teachers, access your courses and get help.

The Introduction to Online Learning Class will give you more information

What's Next

Attend the Virtual Open House on September 1st from 6:00-7:30 to meet your teachers.

We will email a list of codes by teacher.

We will be using Google Meet.

1st: 6 - 6:15, 2nd 6:15-6:30, 3rd: 6:30-6:45, 5th: 6:45-7:00, 6th: 7-7:15, (4th)THSS: 7:15-7:30

What will a day look like?

Will I have to log into all my classes every day?

Yes, the bell schedule is published online. Classes are 45 minutes long.

For the first 3 weeks, the (Techniques & Habits of Successful Students) THSS course will be the last period of the day. Your daily course schedule will follow this sequence. :

Period 1, 2, 3, 5, 6, 4 (THSS)

Don't worry, your teachers will explain! You must come each day. The A/B schedule will start after 10/1.

The last period of the day (THSS) is fully online. Students may work on this course on their own time. Teachers will be available for extra help.

What if I can't make a class?

The expectation is that students will attend class as they are in school.

If you can't make a class, it will be treated like an absence. You will have an opportunity to "make up" the class by completing an assignment and watching the video for the day.

Please work with your teacher / principal if there are extenuating circumstances.

Attendance policies will remain.

Classes from 3rd Trimester Last Year

What do I do if I didn't finish my class from 3rd trimester last year and I still want to earn the credit?

1. Contact your THSS teacher, he or she will direct you to the appropriate teacher.
2. You will have until October 1st to complete.
3. After 10/1, you must file an extension or your grades will be changed to a NCR / E. This will impact your GPA.

Learning Lab - What if I don't have internet?

For students without internet access, you may sign up for Learning Lab time at the High School. Approximately 40 spots will be available each day for our students. Based on lab availability, students may be limited to 2 times per week. This lab will be monitored by a parapro. Unfortunately, teachers will not be available.

PLEASE LET THE MAIN OFFICE KNOW IF YOU DO NOT HAVE INTERNET ASAP.

Community Service as a graduation requirement.

Are you a senior this year?

The Board of Education **WAIVED** the 40 hour Community Service requirement for this year's graduating class of 2021.

Stay Safe and Stay Home - for the classes of 2022, 2023 and 2024 - community service may be prorated for your graduation year, depending on the pandemic and the effect it has on our community. Stay tuned.

THANK YOU!

Thank you Parents!

Thank you Students!

All of this information can be
Found [HERE](#).

Parent Observer Role

Coming Soon...

The Parent Observer Toolkit will allow you to see how your student is performing in his/her classes. This is a great way to keep informed. This tool gives you a good overview of what's happening in all of the student(s) current courses. This parent app also allows you to read announcements, view the due dates for coursework, read To Do lists and see course activities.

Register for an account at the end of this slideshow.
