

## PHS FRESHMEN & NEW STUDENT CHROMEBOOK IMPORTANT INFORMATION

**Please read the information below carefully to prepare for your child to receive their Chromebook.**

Each of our 9th grader and new students will be receiving a Chromebook. The Chromebook is for their use to complete school coursework and projects at home or in school. Allowing your child to take the Chromebook home expands the learning day and allows your child to complete projects and classwork in a virtual or in a school scenario. However, by taking home the Chromebook, families assume some risk. Parents/Guardians are responsible for “insuring” the Chromebook through the specific insurance company listed below:

This coverage is for the replacement/repair in the event of theft, loss, or damage due to the Chromebook. The Chromebook replacement cost is approximately \$200.00. Please note that the charger and case are not covered under this insurance. The replacement cost for the charger is \$30.00 and the case is \$40.00.

The school accepts insurance only from Worth Avenue Insurance Company through the school’s REV TRAK payment system. The cost is \$18.00 a year with a zero deductible that covers accidental damage (including - drops/cracked screens/liquid spills, liquid submersion, theft, fire/flood damage, vandalism, natural disasters and power surge due to lightning).

Least Preferred Method of Payment - If you are a family that does not have access to the Internet or capability to use the Plainwell webstore, you may purchase your insurance at any scheduled orientation sessions or during school office hours with cash or a check made out to “Plainwell High School”.
