ATTENDANCE LEGISLATION

Per MCL 388.1694a, Section 94a(9): "It is the intent of the legislature that, beginning in 2014-15, a district shall report to the center by June 30, in a manner prescribed by the center, the number of pupils in the district who have had 10 or more unexcused absences each school year. For pupils in grades 9 to 12, the report shall include both the total number of unexcused absences in any single course and the total number of unexcused absences in all courses. Each district shall define unexcused absence. It is the intent of the legislature that a district that reports false information under this subsection shall forfeit an amount equal to 5% of its total state aid allocation under this act."

COMPLAINT PROCEDURE

All complaints regarding the District should be resolved at the lowest possible administrative level. See District board policy #9130 available on the web site

The Board of Education encourages informal discussions of complaints prior to undertaking the formal procedures outlined below. In many instances such discussions can resolve issues more quickly and favorably. Only when informal discussion does not lead to a resolution of a complaint should the more formal procedures be used.

Step one for complaints should be to first address the teacher or specific staff member who oversees the activity leading to the complaint. See board policy #9130 for the steps involved in reporting a complaint.

NOTE: The district reserves the right to recommend more severe discipline based on the nature of the violation.

This includes, but is not limited to, court or medical records that would help us educate your child and, perhaps, ensure the safety of others.

PART II

BUILDING POLICIES AND PROCEDURES

ACADEMIC DISHONESTY LIST

If a student makes an unethical decision, such as cheating, they will be placed on this confidential list. Students may earn their way off by not having any other discipline within one (1) year.

ACCIDENTS

Accidents resulting in personal injury while at school or at a school event should be reported to the Main Office. At that time, an accident report will be completed. Emergency contact numbers must be given to the school by each student at the beginning of the school year.

ACTIVITY POLICY

Any student that has incurred an in-school or out of school suspension may not attend or participate in any school activity, unless authorized by school administration. School rules apply at all school activities and students may be disciplined for misconduct. No one will be admitted who shows evidence of alcohol or drug use and authorities will be contacted.

ADDRESS, TELEPHONE OR PERSONAL INFORMATION CHANGES

Students should inform Student Services in writing if they have a change of personal information, including a change of address or a new contact phone number. It is very important in case of emergency to have the correct information.

AGE OF MAJORITY

Upon reaching the age of eighteen (18), a student is afforded the rights and responsibilities of an adult. **The adult as a student, however, must comply with school rules.** A student who reaches eighteen (18) years of age can assume responsibility for his/her school report card, attendance, and other school-related activities by filling out an "Age of Majority" application for approval. The age of majority is not an excuse for being tardy to class. PHS is a closed campus. Students may not come and go throughout the school day. If the student signs him/herself out, they may not return to school without documentation from a legitimate appointment. If the student leaves the building for lunch, he/she must sign out and back in through the Main Office. The school, however, will continue to inform parents of the student's progress and conduct if the student continues to live at home or is a dependent.

ANNOUNCEMENTS

Announcements will be made on a daily basis each morning and afternoon. Students wishing to have an announcement read should write up the announcement, have it signed by the appropriate sponsor, and turn it into the Main Office before 8:00 a.m. the day it is to be read. In addition, daily announcements are emailed to students, staff and posted on the high school web page. Any other announcements will be made only on an emergency basis. Printed announcements or posters to be displayed publicly must be approved by a principal.

ATHLETICS

PHYSICALS

All student-athletes must have a current physical on file in the PHS athletic office to be able to tryout, practice or compete on our athletic teams. Each year the MHSAA requires a physical to be done after April 15th and that physical would be good for the following entire school year.

SPORTSMANSHIP

Be involved in our sports program but understand that sportsmanship toward our opponents, with our contest officials and our own teammates is extremely important. Always treat our visiting teams and fans with respect and behave in a respectful manner at all our away contests. We do not expect less.

PLAINWELL HIGH SCHOOL ATHLETIC TRAINING CODE OF CONDUCT

Participation in athletics is a privilege and as with any privilege it carries a great responsibility. We expect our athletes to abide by our training code at all times and to be the best example in our school of responsibility and maturity. Whether in the contest arena or in the classroom, our athletes will exhibit pride in and for Plainwell High School.

NOTE: The district reserves the right to recommend more severe discipline based on the nature of the violation.

PHS Athletic Training Rules

Our code of conduct as it pertains to training rules violations is in effect year round whether you are participating in a sport or not; once you go out for and are part of one of our athletic teams, you are under our code of conduct.

Violations of the training code will be reported to the head coach involved and/or the director of athletics. Our student-athletes give their word to abide by our code of conduct and we do expect that to be followed.

Possession of or use of all forms of alcohol, tobacco, vape/nicotine products and/or drugs are a violation of the PHS training code and as such will carry the following consequences:

- 1st offense** will be suspension from 50% of the scheduled competitions in the sport they are currently participating in and the suspension if not completely served in that season will carry over to the next season the athlete participates in.*
- 2nd offense** will be suspension for 1 calendar year from PHS Athletics and verification that suspended student-athlete has completed an approved cessation program related to their offense.*
- 3rd offense** will be permanent suspension from PHS Athletics.

If there are contests left after the suspension – athletes must continue to practice and attend all team functions as outlined by the coaching staff. He/she must not be found in violation of team rules during the course of his/her suspension.

PHS Code of Conduct

All athletes must follow and obey all PHS School Rules of Conduct. School suspensions or detentions must be served per school rules prior to athletic participation.

Athlete cannot practice nor can he/she compete on the day(s) of **out of school suspension**.

Athlete can practice after an **in-school suspension** but cannot compete on the day(s) of **in-school suspension**.

After school detentions must be served first before athlete can attend practice or contest.

Student-athletes found to be involved with behaviors unbecoming an athlete will be held accountable for those violations. Such violations may be but are not limited to: insubordination, vandalism, hazing, etc. and will be dealt with by the coach and athletic administrator. Consequences may range from contest(s) suspension to removal from the team.*

*Suspensions must be finished in good standing in the season in which they occur including those that carry over to another sport season.

PHS Eligibility Policy

Per MHSAA requirements a student-athlete must have passed at least 66% of his/her credits each trimester (i.e. must pass at least 4 out of 5 classes) **AND** he/she must currently be passing at least 66% of their credits; by our weekly grade check the student-athlete must be currently passing 4 out of 5 of their classes and maintain a minimum GPA of 1.67 at the end of each trimester to be eligible for the subsequent trimester.

If the student-athlete does not meet the **trimester standard** they will be ineligible for athletic participation the subsequent trimester.

If the student-athlete does not meet the **weekly standard** they will be ineligible to compete in an interscholastic contest the following week (Monday through Sunday).

ATHLETIC PARTICIPATION FEE

Plainwell Athletic Department assesses participation fees as follows: \$30 per sport. There is a family maximum level and we do ask that parents please contact the Athletic Office for that figure, as it does change. We are also allowed to waive the fee if the student-athlete does qualify for the free and reduced lunch program; paperwork for that must be filled out and filed through our food service and administration prior to the waiving of a fee.

ATTENDANCE POLICY

Frequent absences and tardiness, for any reason, are certain to adversely affect the student's schoolwork and ultimately graduation. Attendance is an integral component in a student's education. Learning takes place in a classroom which cannot take place through books alone. Regular attendance is always essential for doing your best work in school. Employers are interested in your high school attendance record. Students who are under the age of eighteen are required to attend school under the State Compulsory Attendance Law. Michigan law places responsibility on each student to attend school on a daily basis and on each parent or guardian to send their child to school daily.

For a student to obtain academic credit and to keep students' safety a priority, parents are informed of student absenteeism. Each student is expected to be in school every day except when illness, injury, or some providential condition beyond the student's control prevents attendance. See attendance descriptions below and refer to the Student Code of Conduct for consequences related to unexcused absences and/or maximum days absent.

MAXIMUM DAYS ABSENT

Any student absent more than 7 days in the same class, whether excused or unexcused, will be considered to have reached the "maximum days absent". Family trips will be counted in this total. Students who accumulate more than seven absences in a class in a trimester may put their credits in jeopardy. A notification letter is sent to the parent/guardian on the 4th and 7th absence. Students should apply for credit restoration with Student Services one week before the end of the trimester. Credit may or may not be granted by the attendance committee. Additionally, students requesting credit restoration due to reaching the maximum days absent, shall implement a plan of action with the Graduation Retention Specialist (GRS) - Mr. Marshall, the Assistant Principal - Mrs. Beals, and the student/parent in order for credit to be considered restored. The plan includes:

NOTE: The district reserves the right to recommend more severe discipline based on the nature of the violation.

- 1) The student has satisfactorily made up missing work, and
- 2) Attended the after school extra time sessions (ETS) with the Graduation Retention Specialist to make up the time missed from the absence(s) and
- 3) Has earned a passing grade in the class.
- 4) The attendance committee has approved the credit restoration based on the success of items 1 through 3.

Moreover, students with excessive absences who are struggling academically may be required by administration to attend academic sessions outside the school day or recover credit through online learning in order to stay on track for graduation.

Please note that the "Testing Out" Michigan Merit Curriculum Law does not apply for the "Maximum Days Absent" policy. In the past, students were allowed to earn a C+ or better on a final exam and receive credit for the course regardless whether the student passed the course or not.

PRE-ARRANGED ABSENCE

A completed pre-arranged absence form must be submitted to Student Services one week prior to the absence if a student will be gone for 3 or more days. These days of absence will count towards the seven day maximum days absent policy. Homework will be due on the day of return.

REPORTING AN ABSENCE

Parents/guardians are strongly encouraged to excuse your child absent the same day as the absence. It is important, for security reasons that we know your child has the authority to be out of school. For extenuating circumstances, parents/guardians have until noon the following school day to excuse an absence. If parents are unable to contact the attendance line or send an email, students will be given an unexcused absence and assigned a two-hour detention. (See Unexcused Absences in Part IV of this handbook for more information.) To excuse an absence, call the attendance line at 685-2430 to leave a message OR email attendance@plainwellschools.org. The following absences are considered excused: illness or medical appointment, death in the family, medical emergency in the family, important personal or family business that could not be done after school hours, prearranged absences requested one week prior to the absence and approved by the school. Homework may be requested from teachers after two (2) consecutive excused absence days.

TARDINESS

Tardiness to class interferes with the daily instruction and is unacceptable. Students who are late to class will incur the following consequence(s):

- 1st Tardy - Teacher documents and student receives a warning.
- 2nd Tardy - Teacher documents and student receives a 2nd warning.
- 3rd Tardy - Teacher documents and assigns a 30 minute detention.
- 4th Tardy - Teacher documents, assigns a 70 minute detention and contacts the parent.
- 5th Tardy - Teacher makes an insubordination referral to the administrator.

Additional tardies will result in more serious consequences by administration. Excessive tardies indicate a serious problem with time management and strategies to correct the behavior will be expected. Privileges such as dances, driving to school, or club activities may be suspended until the student can prove punctuality.

SCHOOL-SANCTIONED ABSENCE

Activities that are school sanctioned, such as field trips, athletic events, class meetings, college visits, and suspension, will not count toward the 7 absences allowed.

SENIOR SKIP DAY

Senior skip days are not considered a school sanctioned absence and are discouraged. Participation may result in disciplinary consequences.

TECH CENTER ABSENCE

Students should follow the rules for the tech center attendance. If you are going to be absent to tech center, it is the responsibility of the student to contact the tech center according to their guidelines. The phone number for the Tech Center is (269) 673-3121. Please note that an additional call to PHS may be necessary if you are going to be absent from high school for the day.

LEAVING SCHOOL (Under the Age of 18)

Any student who enters or leaves the school building for any reason other than during the normal start time (7:44 a.m.) and end time (2:25 p.m.) of the school day must sign in or out at the Main Office. Students who do not sign in or out will receive a 30-minute detention.

Students who leave during the day shall incur an absence. Students who are not in attendance during the school day must obtain permission from the principal's office to be on school property before or after school that same day or disciplinary action will result. Unless a student has Age of Majority status, parents of students must sign their student in or out at the Main Office to be excused. If the parent is unable to come to the Main Office, prior authorization is required if they enter or leave the building other than the normal school day hours. Students leaving during the school day without permission will be considered skipping.

NOTE: The district reserves the right to recommend more severe discipline based on the nature of the violation.

LEAVING SCHOOL (18 years and older WITH approved Age of Majority status)

Any student who enters or leaves the school building for any reason other than during the normal start time (7:44 a.m.) and end time (2:25 p.m.) of the school day must sign in or out at the Main Office. Students who do not sign in or out will receive a 30 minute detention.

Students who leave during the day shall incur an absence. Students who are not in attendance during the school day must obtain permission from the principal's office to be on school property before or after school that same day or disciplinary action will result. PHS is a closed campus. Students may not come and go throughout the school day. If the student signs him/herself out, they may not return to school without documentation from a legitimate appointment.

SCHOOL EVENTS – MANDATORY

Activities such as class meetings, assemblies, and pep rallies are considered mandatory. Student attendance is required and failure to attend will result in disciplinary actions following the unexcused absence policy. The only exception to this is if you attend the Tech Center or Early College.

VACATIONS DURING THE SCHOOL YEAR

Parents are encouraged not to take their child out of school for vacations. When a family vacation must be scheduled during the school year, the parents should discuss the matter with the principal and the student's teacher(s) to make necessary arrangements. It may be possible for the student to receive certain assignments that are to be completed during the trip.

BACKPACKS (BOOK BAGS, GYM BAGS, OR THE LIKE)

Backpacks pose a potential threat to the security and safety of PHS students and staff. Because dangerous instruments can be concealed, the elimination of backpacks, satchels, cinch sacks gym bags, over-sized purses and the like from high school classrooms, lunchroom, media center and common areas has been implemented. Please be advised that these items should be kept in your locker. Faculty, staff and administrators will prohibited them in these area These bags of any size and nature are to be kept in lockers. Students may carry purses with an approximate and maximum size of 12" x 12" x 5". Any personal items, lockers, automobiles, school supplies, desks/tables are subject to search and seizure at any time and students have no reasonable expectation of privacy in these places or areas or in their personal effects left there

BREAKFAST

Breakfast will be served daily for a nominal cost in the cafeteria from 7:00-7:40 a.m. Food may not leave the cafeteria.

BUILDING HOURS

Monday through Friday 7:00 am - 3:30 p.m.

Unsupervised students must leave the building by 3:00 p.m. Refer to section on "Supervision of Students" in Part II of this handbook.

BULLYING/HARASSMENT/HAZING

Any student who believes s/he has been or is the victim of bullying, hazing, or other aggressive behavior should immediately report the situation to the principal or assistant principal. The student may also report concerns to a teacher or counselor who will be responsible for notifying the appropriate administrator or Board official. Complaints against the building principal should be filed with the Superintendent. Complaints against the Superintendent should be filed with the Board President. For further information and descriptions, see Code of Conduct Violations in Part IV of this handbook.

BUS TRANSPORTATION

Many students are transported in school buses owned by the school district. All regular bus rules and regulations, as well as school rules regarding student conduct, are in effect while riding in school buses. Students who abuse bus privileges may have such privileges revoked and are subject to disciplinary action.

BUS CONDUCT

- 1) Parents are to be informed that school bus transportation is a privilege and not a right and that the bus driver is the sole authority on the bus while students are being transported.
- 2) Parents are also to be informed that they are responsible for:
 - a) the safety of their child while going to or from the bus stop and while waiting for the school bus; b) their child being at the bus stop at least ten (10) minutes prior to scheduled pickup time; c) damage by their child to school buses, personal property, or public property.
- 3) Students are expected to conduct themselves in a proper manner at bus stops. The District will not enter into disputes involving parents and/or students concerning matters that take place prior to the student boarding the school bus, or after the student has disembarked from the bus on his/her way home.
- 4) Students will be assigned to only one (1) morning and one (1) afternoon bus.

NOTE: The district reserves the right to recommend more severe discipline based on the nature of the violation.

- 5) Students will ride only assigned school buses and will board and depart from the bus at assigned bus stops. Students will not be permitted to ride unassigned buses for any reason other than an emergency, except as approved by the principal.
- 6) A permanent transfer to another route or bus stop for morning pick-up and/or afternoon drop-off will only be made upon the approval of the Transportation Supervisor.
- 7) Students shall cross all streets at least ten (10) feet in front of the school bus and after the driver has signaled the student that it is all right to do so.
- 8) For the safe operation of the school bus, noise on buses shall be kept at a minimum with students speaking in reasonable conversation voices. Students must be quiet at railroad crossings and other danger zones as designated by the bus driver. a) Students are not allowed to play their own music devices at a level of distraction for the driver; b) Both the use of a bus radio and the station or programs which students listen to must be approved by the Transportation Supervisor.
- 9) The following cargo is forbidden to be transported on a school bus: pets, alcoholic beverages, drugs, ammunition, explosives, firearms, knives, or any other dangerous materials or objects. If there is a question on the transportation of a particular item, the Transportation Supervisor should be consulted
- 10) No cell phone use allowed while being transported.

CELL PHONES

Respectful use of cell phones and ECD's are expected at all times per the following guidelines. The unauthorized use of cell phones, or other electronic communication devices (ECD), including iPods and MP3 players, and electronic storage devices (ESD) are strictly prohibited in classrooms, other rooms, restrooms, locker rooms, and media center/library during the school day from 7:44 a.m. until 2:25 p.m. Students are considered in violation of this policy when cell phones or other ECD and ESD items are in use, ringing, playing music, texting, talking on, filming, in sight or taking pictures.

Sexing and taking pictures of anyone is strictly prohibited and will be subject to disciplinary and legal action. See description on page 23 and Code of Conduct on page 43. A student may possess a cell phone in school, on school property, and on a school vehicle (bus) provided the cell phone is not in violation of the aforementioned. Students may, however, use cell phones and electronic communication devices during their individual assigned lunch period and only in designated lunch areas or as assigned as part of the curriculum. Students involved in extracurricular activities and/or athletics must contact each individual coach or sponsor for rules regarding the use of cell phones, iPod, ECD, ESD, etc. for after school hours or on after-school bus trips. iPods, MP3 players, or other music/video ECD and ESD items are not to be in use between the hours of 7:44 a.m. – until the end of the school day, except during designated lunch period in the cafeteria only. These items may be assigned as part of the curriculum in a class where these items have been pre-approved by administration. The student who possesses a cell phone, or other ECD and ESD items, shall assume responsibility for its care. At no time shall the District be responsible for preventing theft, loss, or damage to cell phones, or ECD and ESD items, brought onto its property. These are popular theft items.

CLASSROOM EXPECTATIONS

In the classroom, students are expected to abide by the procedures as set forth by the individual teacher. Any classroom rules, regulations, policies, etc., are in addition to the school policies and not in lieu of them. Students must have a pass to be out of class (See hall pass policy for details). Students should come prepared for class. Students are not to bring articles to classes that might be a classroom disruption such as food, drinks (other than water), gym bags, duffel bags, backpacks, daypacks, and other oversized items. Any item brought to school or the classroom is subject to the search and seizure policy.

CLOSED CAMPUS

Plainwell High School is committed to the safety of its students. Plainwell High School has elected to be a closed campus high school. This includes all grades, 9-12. As a closed campus, students are not allowed to leave once they enter the building, unless pre-authorized by a parent/guardian or administrator, have reached age of majority, or have been released for academic/athletic reasons. Students may not under any circumstances leave campus during lunch. Students may not come and go throughout the day. Extenuating circumstances may be approved by a principal. Any violations will result in an unexcused absence and possibly notification of police if we feel a student is in danger. Parents/guardians (**and anyone who has approved age of majority**) must sign their students in and out in the Main Office if they enter the building other than the normal academic school day starting and ending times. This also means that students are not to be on the grounds of other school district buildings during the school day.

COMMUNICATION ALERT SYSTEM – SCHOOL MESSENGER

School Messenger is a very important communication tool used by the District. Please be sure to log onto School Messenger (a link is provided on the high school web page) and register. **SHOULD TELL THEM TO USE "FOR PARENTS" TAB AT THE BOTTOM.** This system is used by our high school to provide you with urgent, routine, and nonroutine information. If your phone numbers or emails change, please change them on the web site so that we are able to maintain efficient communication with you.

COMPUTER NETWORK/INTERNET

Students and parents must read and sign the P.C.S. District Technology Use Agreement before any technology can be used. Privilege to District computers may be denied for violations of the **Technology Use Agreement** as well as school discipline.

NOTE: The district reserves the right to recommend more severe discipline based on the nature of the violation.

CONSEQUENCES FOR VIOLATING STUDENT CODE OF CONDUCT

Plainwell High School keeps records of all discipline taken with students and will notify the parents via phone call or mail of all out-of-school suspensions and expulsions. When more severe discipline is taken, reasons for advancing to progressive discipline will be explained. Graduating seniors suspended during the final few days of the school year may accelerate the appeal process.

DANCE POLICIES/RULES

No one will be admitted who shows evidence of alcohol or drug use. I.D. must be shown for admittance if we do not recognize who you are. You must be a student in good standing to attend.

- A) Sexually suggestive dancing will not be allowed at any dance. This includes touching of any lower body parts by one or more parties, removal of any clothing, erotic behavior, etc. The rule is dance FACE TO FACE – LEAVE SOME SPACE. Inappropriate behavior will result in immediate and permanent removal from the dance by a principal or other adult. PLEASE CONSIDER THIS YOUR WARNING. No second warning will be given. We expect that you will act as a young adult and with respect for yourself and your dance partner.
- B) Dress code may be enforced as deemed necessary by an administrator. Clothing must not be too tight, too short, too sheer, or too revealing whether standing or seated.
- C) Only Plainwell High School students and their registered guests will be admitted.
- D) Guests must be under the age of 21. Middle school students are not allowed to attend. A guest permit must be obtained from the Main Office, filled out and submitted to administration for their approval. A high school student is permitted one guest and is responsible for the behavior of that guest. In general, persons who have withdrawn or discontinued their education prior to graduation will not be allowed as guests. Proof of school status is required.
- E) No one may leave the dance and then return.
- F) Violations of rules will result in immediate removal from the event, possible contact of Plainwell Public Safety and/or being barred from future dances/activities for 1 year/up to remaining high school years.

DANCE POLICY – RENAISSANCE HIGH SCHOOL (RHS) STUDENTS ATTENDING PHS DANCES

Attending dances at PHS is a privilege. In order to earn this right, the RHS student must be in good standing and for all purposes would be able to return to PHS if the student so chose. Therefore, the following conditions must be met.

- If a student was referred to RHS from PHS for behavioral reasons, there will be an automatic one year suspension from dances. If the student wishes to attend dances at PHS after the one year suspension, the student must apply in writing using the guest form and meet ALL of the criteria as outlined. PHS administration still reserves the right to refuse entry to the student. The decision of PHS administration is final.
- No student will be permitted who has a "No Trespass" letter issued by PHS
- RHS students may not bring guests to PHS dances but may go with other PHS or RHS students.
- Student must obtain approval from both principals of RHS and PHS.

DELIVERIES

PHS is a closed campus and, therefore, many students will call for food/flower deliveries and/or call home to have parents bring something that they may have forgotten. The front office staff will help in a reasonable manner but will follow the guideline that academic time is a priority.

Students may not leave class to come pick up deliveries. This includes, but is not limited to, food, flowers, clothes, sports items, etc. Parents should not expect that we will call students out of class to deliver items. Exceptions to this may be for important or urgent medications. If students order food for their assigned lunch periods, the food must be prepaid and delivered during lunch time only. Please be advised that we will turn businesses away that try to deliver non-paid, out of lunch time items.

DISPLAYS OF AFFECTION

In the Plainwell High School environment, the only acceptable displays of affection are holding hands, a hug, a quick kiss, and an arm around shoulders. Unacceptable displays of affection include, but are not limited to, lingered kissing, pressing up against each other or pressing into the locker to hug, and/or touching private areas. (See Code of Conduct).

DISTRIBUTION OF NON-SCHOOL SPONSORED MATERIALS

Before displaying or distributing any printed or written materials on school property, a student must submit to the high school principal a representative copy of the material to be distributed. Within two (2) school days, the principal will review the material to approve or disapprove of the material's display or distribution on school grounds. The display or distribution of printed or written materials on school grounds without such approval will subject the student to disciplinary action at the discretion of the high school administration.

NOTE: The district reserves the right to recommend more severe discipline based on the nature of the violation.

DRESS AND APPEARANCE

We encourage students (males and females) to dress in a modest and respectful manner while still being able to express your individualism. Fundamental responsibility for standards of dress and grooming rests with the student and his/her parent or guardian. All students are expected to wear clean, appropriate and reasonably well-fitting clothing. Please remember that your personal appearance is a reflection of who and what you are. Students should wear clothes appropriate for their body type. Dressing in a promiscuous manner or displaying nude body parts is unacceptable. It is also important to realize that the school will not permit clothing that is inappropriate or clothing that interferes with the school day.

EXPECTATIONS

1. **DRESS.** Clothing must not be too tight, too short, too sheer, or too revealing whether standing or seated. This includes tights, spandex, exercise pants and/or leggings as deemed inappropriate by an administrator. If you chose to wear these items where the outline of private body parts are noticeable, top must cover the areas fully.
2. Tops must cover the top of the shoulder. Tops must cover the neckline and side underarms appropriately. No strapless, spaghetti straps, racer backs, midriffs or open side tanks/tops should be worn. Tank tops with thick straps may be worn if they meet this criteria. Cleavage must not be showing and the neckline covered as deemed appropriate by an administrator.
3. Shorts and/or skirts must at least cover the top of the thigh according to your height. Mini, tube, and/or tight spandex skirts are not allowed as they do not meet the requirements of "reasonable well-fitting clothing". Clothing items must fully cover private body parts.
4. Clothing that reveals underwear when standing (e.g., sagging pants) or when seated (e.g., low-cut waistlines) is not permitted.
5. Footwear must be worn at all times.
6. Headgear, face masks, face paint (or anything that covers the face/head) and/or sunglasses are not to be worn (or carried about in the school) upon entering the building and through the remainder of the school day. Sunglasses at dances or indoor events are not permitted.
7. Earbuds may be worn in common areas such as, hallways and lunchroom, but with only one earbud in use. For security reasons, students need to be able to hear emergency directions.
8. Wearing of ear, nose, lip, tongue, eyebrow, or other piercings may be limited if they are judged by an administrator to present a risk to the wearer or others during the student's normal participation in school activities.
9. Spiked bracelets, dog/choker collars, wallet chains, other chains, and jewelry containing large or sharp points, or dress that presents a hazard to the health or safety of himself/herself or to others or to school property are not permitted.
10. Winter coats and winter jackets are to be kept in lockers and are not permitted in the classrooms.
11. Clothing that advertises or suggests drugs, alcohol, tobacco, obscene or violent language/graphics, gang affiliation, sexualized actions or promotion of illegal behavior on the part of citizens generally or minor children specifically is not permitted.
12. **APPEARANCE.** A student's personal hygiene, excessive fragrance, or body odor may also be dealt with as interference in the learning environment or as a safety or health risk to the student or others.
13. Student groups that wish to purchase custom-designed clothing to wear at school must have pre-approval by an administrator.

If you violate this dress code, you will be asked to change your clothing before you are allowed to return to class. A second notice will result in a call home and an ISS. **NOTE:** exceptions may be made to the aforementioned with administrative approval for school "theme" days or other school spirit activities.

EMAIL ADDRESSES

Every staff member in the District can be reached by email using their common first name and last name@plainwellschools.org. i.e.: jeremy.wright@plainwellschools.org

EMERGENCY PROCEDURES AND DRILLS

Evacuation of the building will be announced by the sound of the alarm or P.A. announcement. The school complies with all fire safety laws and will conduct fire drills in accordance with State law. Specific instructions on how to proceed will be provided to students by their teachers who will be responsible for safe, prompt, and orderly evacuation of the building. Students will exit in an orderly manner and keep going until they are at least 100 feet from the building. In a tornado warning or lockdown, a P.A. announcement will be made. Each classroom is assigned an area of safety. Each teacher will escort their students to the safe area when the warning is given. Drills are a very important facet of the total operation of Plainwell High School. It is important that we be organized and aware of how to vacate the entire structure in the least possible time. We will conduct a minimum of six (6) fire drills, two (2) tornado drills and two (2) lockdown drills during the course of the school term (required by law) and possibly others as the need arises.

NOTE: The district reserves the right to recommend more severe discipline based on the nature of the violation.

EXTRACURRICULAR CLUBS AND ACTIVITIES

Plainwell High School has many extracurricular organizations that afford the student an opportunity to participate in various activities. A brochure listing all extracurricular clubs and activities is available in Student Services. All students who participate in interscholastic athletics shall meet the eligibility requirements described in the Athletic Handbook. No student who has been absent for a full school day may participate in an extracurricular activity scheduled for the afternoon or evening of that school day without the approval of the principal.

HALL PASS

No students shall be in the halls during class periods without a green hallway pass signed by school personnel. Hallway sweeps are conducted daily and consequences for being out of the classroom will be given. Any student in the hallway is required to have a completed, signed, green hallway pass.

Legitimate reasons school personnel may provide a hallway passes include:

- Bathroom or drink of water
- To get something from a locker for a class
- To complete a task for teacher
- To see someone in Student Services (emergency)
- Front office for sickness or health-related call home, etc.
- At request of an administrator
- PLUS time (after first 5 minutes)
- Media center - to print, for example.
- Excused to get something from a car
- Teacher holds student back from next class. For example, to complete a test retake

Exception to needing a hallway pass:

- Late to 1st period within first 10 minutes, must sign in front office
- Switch time during PLUS time within first 5 minutes

Reasons not to leave the classroom (examples):

- Meet a friend
- Phone home regarding after school activities or bring something they forgot
- To get food from the front office
- To sign up to see a counselor (non-emergency)

Notes: A green pass does not excuse the student from being tardy or an excused absence.

HOMEBOUND PROGRAM

The District shall arrange for individual instruction to students of legal school age who are not able to attend classes because of a physical or emotional disability. Parents should contact Student Services regarding procedures for such instruction. Applications must be approved by the high school administration. The District will provide homebound instruction only for those confinements expected to last at least five (5) days. Applications for individual instruction shall be made by a physician licensed to practice in this State, parent, student, or other caregiver. A physician must: certify the nature and existence of a medical condition; state the probable duration of the confinement; request such instruction; present evidence of the student's ability to participate in an educational program. Parents are responsible to make arrangements to pick up and return assignments.

LIBRARY (MEDIA CENTER)

The library opens at 7:30 a.m. and closes at 3:30 p.m. During class hours, students must have a pass from their teacher. The mission of the library program is to provide information literacy – the ability to find and use information for lifelong learning, by providing access to print, audiovisual, and online information resources that support the PHS curriculum. Students are encouraged to use library supplies, hardware, software, and media for their academic growth and career planning. In using library resources, the student accepts responsibility for the preservation, care, proper use and agrees to abide by the provisions of the Technology Use Agreement. Students are expected to follow the library rules.

NOTE: The district reserves the right to recommend more severe discipline based on the nature of the violation.

LOCKERS AND DESKS

Student lockers are owned by the school district. Students are permitted use of the lockers under the following terms:

1. The locker will be kept clean and no signs are allowed on the locker exterior, unless they are school-related and approved.
2. No items shall be kept in the lockers which are illegal or endanger individual health, safety, or welfare.
3. Student lockers and desks are school property and remain at all times under the control of the Plainwell Public Schools; however, students are expected to assume full responsibility for the security of their lockers and desks. Students should not expect privacy regarding items placed in school property because school property is subject to search at any time by school officials. Periodic general inspections of lockers and desks may be conducted by school authorities for any reason at any time without notice, without student consent, and without a search warrant.
4. Police will be notified of illegal items.
5. Lock combinations will not be revealed to others.
6. Students are responsible for damage to locker.
7. Sharing of lockers or changing lockers is prohibited.

9. Personal locks (in the locker room) are **NOT** permissible.

LOST AND FOUND

All articles (exclusive of athletic uniforms and equipment - return to Athletic Office) that are found on the school premises should be taken to the Main Office. The school will dispose of items not claimed by the final day of each trimester.

LUNCH

Plainwell High School is a closed campus. Students may not leave for lunch. See "Closed Campus" section. During lunch time, students must eat their lunch in the cafeteria. Students are not required to purchase the school cafeteria food and may bring their own lunch.

MEDICATION

PRESCRIPTION MEDICATION

The Medication Request and Authorization Form 5330 F1 must be filed with the respective building principal before the student will be allowed to begin taking any medication during school hours. Prescription medication must be in its original, most recent container from the pharmacy.

NON PRESCRIBED (OVER THE COUNTER) MEDICATION

A student in grades 9-12 may be allowed to possess and self-administer an over-the-counter medication upon the written authorization of the parent. The parent must complete Form 5330 F1a - Authorization for Nonprescribed Medication or Treatment and submit it to the Main Office for filing in the student's records.

ASTHMA INHALERS, EPI PENS, OR EMERGENCY MEDICATION

Students may possess and self-administer prescribed emergency medication or a metered dose or dry powder inhaler for relief of asthma, or before exercise to prevent onset of asthma symptoms, while at school, on school-sponsored transportation, or at any school-sponsored activity in accordance with the Superintendent's guidelines, if the following conditions are met: 1) There is written approval from the student's physician or other health care provider and the student's parent/guardian to possess and use the inhaler (Form 5330 F1c); 2) the building administrator has received a copy of the written approvals from the physician and the parent/guardian.

If a student is found with a medication in his/her possession, his/her record should be checked to determine if the proper authorization is on file. If not, the matter is to be reported to the principal for disciplinary action.

School personnel will administer no other oral medication, such as aspirin or Tylenol to students without a parent's or physician's order.

MOTOR VEHICLE REGISTRATION

Each motor vehicle must be registered in Student Services before a student will be allowed to drive and park at Plainwell High School. Forms must be signed by a parent/guardian. Upon completion of the registration process, a sticker must be placed on the lower right-hand corner of the front window. There is a new designated spot for seniors available on a first come, first serve basis. Vehicle registration and permits are valid for the current school year only, so must be purchased every year. The cost is \$5 per vehicle. Use of the school parking lot is deemed consent to a search if a violation of school rules is suspected. If this consent is to be withheld, all driving and parking privileges will be revoked. (See Parking and Driving)

Students attending the Tech Center who choose to drive must have written approval. See the section under Allegan County Area Technical Education Center.

NOTE: The district reserves the right to recommend more severe discipline based on the nature of the violation.

OBSERVATION PROCEDURE

A parent/guardian who wishes to observe their student's classroom instructional activity may do so following these guidelines. A parent/guardian must inform the principal at least two (2) school days in advance, in writing, who he/she wishes to observe. The principal will coordinate an acceptable time for observation with the parent/guardian and the teacher to be observed. Once in the classroom, the parent/guardian may only observe and may not interrupt or disrupt the class in any manner or fashion. A parent/guardian may not be present during testing. DVD's and other recording devices will not be allowed. Curriculum, textbooks, and other teaching materials may also be reviewed by making a similar request.

PARENT INVOLVEMENT PLAN

PHS recognizes the value of parent involvement and will work to establish positive relationships with families by communicating effectively and seeking input through the following avenues:

1. Parent Connections meetings
2. Principal emails
3. Instant communication through School Messenger
4. Volunteer programs
5. Guidance programs, such as Parent Financial Aid Night
6. Other programs as needed
7. Announcements emailed daily

PARENT/TEACHER CONFERENCES

Parent/Teacher conferences are held 3 times per year, normally in October, January, and April. The dates will be published in advance in the District newsletter.

PARKING AND DRIVING

The streets and parking lots of the school are school property, but are subject to the entire city ordinances and laws relating to the use of automobiles. **Driving to school is a privilege, not a right!** The District may conduct canine searches and periodic walkthroughs of the parking lot. Students with prohibited items in their vehicles on school property will be disciplined. Students who drive are subject to these rules:

1. Students are not permitted in the parking lot during classes or passing time.
2. Observe all traffic laws and signs and must not drive recklessly.
3. Speed limit on roads and in parking lot is 15 miles per hour.
4. Student vehicles must use only the southwest driveway on Starr Road and park only in designated student parking lots.
5. Streets on which buses are loading are closed to all non-bus traffic until 9:00 a.m. and until 4:00 p.m.
6. Vehicles that do not have a PHS parking sticker and/or are parked illegally will be issued a warning and/or ticketed and will not be allowed in the school parking lots until permission is granted by the administration and/or a sticker is purchased. Repeat offenses will result in the car being towed at the student's expense.
7. All vehicles that are parked on school property must have a parking sticker issued by Student Services and must be parked in a student designated area. A \$5 parking fee is required to register each vehicle.
8. Students should lock their vehicles at all times.
9. If driving facilitates any type of misconduct, the administration reserves the right to revoke driving privileges and/or close campus to violators. School discipline may also be instituted, and in serious violations, a ticket may be issued by the local law enforcement agency.

PERSISTENT DISOBEDIENCE

Plainwell High School reserves the right to recommend expulsion or alternative placement for any student (See Board Policy 5600 Student Discipline).

PLAINWELL SCHOOL CAMPUSES

Students may not be on any other public school campuses during and/or directly after school hours without checking in at the principal's office for permission.

PROMPOSALS

A student who wishes to ask another student in a unique way to a dance must obtain prior permission from a high school administrator at least two (2) days in advance. Extravagant promposals will not be allowed. What is deemed "extravagant" will be determined by a high school administrator.

NOTE: The district reserves the right to recommend more severe discipline based on the nature of the violation.

RE-ENROLLMENT

Students interested in re-enrolling at PHS must be eligible (credit wise) to graduate with their class; otherwise, they will need administrative approval to be admitted to PHS. Students may attend our Alternative Education program and earn back the necessary credits and then re-apply to the high school when eligible.

REPORT CARDS

Progress reports are available three times per year at parent teacher conferences. Report cards contain a grade for the 12-week trimester. Trimester grades are issued in November, March, and June. Absences and citizenship are reported on the card.

REPORT WRONGDOING

Students should report wrongdoing by one of the following:

- Directly report to any principal or staff member.
- OK2SAY at www.plainwellschools.org website or <https://ok2say.state.mi.us/>
- Or request the help of a Quiet Hero, PAL or NHS member if you prefer.

SCHOOL CLOSING

If school is to be closed on a regularly scheduled school day, an announcement will be made on the local radio and TV stations before bus pick-up time of that day. You will also receive a message from School Messenger, our instant communication alert system.

SCHOOL FEES AND MATERIALS

Some classes have expenses that are the student's responsibility. In general, anything that is retained by the student for his/her personal use becomes a student expense. An account will be kept in the Main Office, which will serve as a record of all unreturned materials, damages to school property, etc., owed by each student. All accounts are payable at the end of each school year. If accounts are not satisfied, certain restrictions will be imposed, e.g., non-participation in athletics, new books not being issued, etc. Fines and all accounts are due and payable prior to graduation or a student diploma will not be issued.

Each senior is required to pay a \$25 senior fee to cover expenses related to graduation by March of their senior year. Those expenses include: diploma cover, yearbook charges, graduation and award assembly programs, flowers, and security.

SCHOOL SPIRIT

School spirit really drives a positive school culture. Show your school spirit often but keep these thoughts in mind:

1. Courtesy – toward teachers, fellow students, and the officials of school athletic activities.
2. Pride – in everything our school endeavors to accomplish and has accomplished.
3. Sportsmanship – the ability to win and lose gracefully.

School spirit means loyalty to all functions of the school. A loyal student supports the school and does his/her utmost to keep scholastic and activity standards at the highest possible level.

SEARCH AND SEIZURE

To maintain order to protect the safety and welfare of students and school personnel, school authorities may search a student, student lockers, and desks and may seize any illegal, unauthorized items, or contraband. Lockers and desks, school property under the control of the school, are subject to search at any time. Periodic general inspections of lockers and desks may be conducted by school authorities for any reason at any time without notice or student consent and without a search warrant. A student's failure to permit searches and seizures as provided in this policy will be considered grounds for disciplinary action. If necessary, law enforcement authorities will be called to continue the search.

A student and a student's personal effects (i.e., purse, book bag, athletic bag), may be searched whenever a school official has reasonable suspicion to believe that the student is in possession of illegal or unauthorized materials. The student's privacy rights shall be respected regarding any items that are not illegal or against school policy. If a search yields illegal or contraband materials, such findings shall be turned over to police and disciplinary action will be taken.

Drug sniffing dogs may be brought to the school to search the school and parking lot. Students found to have any illegal substance in their locker or vehicle will be disciplined according to school policy. In addition, the police will be notified of any drugs, alcohol, tobacco, or weapons found on school property. During these random searches, students will not come in contact with the drug sniffing dogs.

NOTE: The district reserves the right to recommend more severe discipline based on the nature of the violation.

SEXING EXPLICIT PHOTOS AND THE LAW

In Michigan, the act of creating, soliciting, possessing, or distributing sexually explicit photos of a minor under 18 is a felony (MCL 750.145c). These photos can be sent between computers or cell phones – it makes no difference. The inquiry is whether the photo depicts someone under 18; the medium and the age of the creator, requester, sender, recipient, or possessor are irrelevant. The potential criminal penalty is significant incarceration and registration on the Sex Offender Registry.

Sexing is a cross between sex and texting. It is the act of sending sexually explicit messages or photos electronically, primarily between cell phones or wireless communication devices (WCD), but not limited to WCD's. "Sexing" is a relatively new practice and with increasing frequency is bringing teens into the juvenile justice system.

Sexing is the act of minor children electronically transmitting words or receiving and retaining nude, partially nude, lewd, sexually explicit, or graphic images of themselves or others; or graphic or sexually explicit messages. Michigan Law prohibits sexting and includes, but is not limited to, consensual images shared between youth, ages 13-18 years. A juvenile conviction for a sexual offense has serious consequences which include registering as a sex offender. Engaging in sexting may carry felony charges in the State of Michigan. Please be advised all students who engage in sexting will be referred to police and/or other agencies. The severity of the situation may result in also being classified as bullying, harassment or sexual harassment (See related sections in this handbook).

Note: Any administrator, teacher, coach, or other school personnel who engages in sexual or other inappropriate physical contact with a student may be guilty of a criminal "child abuse" as defined in State law M.C.L.A 722.621 et. Seq.

SKATEBOARDS AND ROLLERBLADES

Skateboards and rollerblades are not allowed on sidewalks, landscapes, or tennis and track surfaces on Plainwell Community School campuses.

STUDENT RIGHTS OF EXPRESSION & STUDENT ACTIVISM

PHS administration encourages students to voice their opinion in a positive and constructive manner. In the event a student(s) does not agree with a procedure, policy, or decision of the school, the first step is for the student to go speak with a principal to understand the issue. It is the hope of the staff that students are proud of their school and will always present PHS in a positive manner and work constructively to resolve issues.

In accordance with Board of Education Policy 5722 and Policy 9700, students have the right, protected by the First Amendment to the US Constitution, to exercise freedom of speech. This includes the right to distribute or display, at reasonable times and places, written material, petitions, buttons, badges, or other insignia, except expression which:

- A. is obscene to minors or adults;
- B. is libelous;
- C. is pervasively indecent or vulgar
- D. advertises any product or service not permitted to minors by law;
- E. constitutes insulting or fighting words, the very expression of which injures or harasses other people (e.g., threats of violence, defamation of character or of a person's race, religion, or ethnic origin);
- F. presents a clear and present likelihood that, either because of its content or the manner of distribution or display, it will cause a material and substantial disruption of school or school activities, a violation of school regulations, or the commission of an unlawful act.

Distribution or display of material in any of the above categories is prohibited on school premises or at any school-related event. Also see "Distribution of Non-School Sponsored Materials" in Part II of this handbook.

SUPERVISION OF STUDENTS

One responsibility for any teacher is the direct and actual supervision of students, while in his/her classroom and as they cross the teacher's path in the building. A teacher is expected to help provide proper supervision to students during activities that occur outside his/her classroom, such as assemblies, fire drills, locker rooms, etc. Such supervision should occur on field trips as set forth by Policy 2340 and the accompanying administrative guidelines, with any exceptions to direct and actual supervision being laid out in parent permission slips. Certain performance-based classes may have modified supervision practices based on curricular needs and additional parent permission (refer to student handbook for specifics).

SURVEILLANCE CAMERAS

The Board of Education authorizes the use of video surveillance and electronic monitoring equipment at various school sites throughout the District and on school buses. The video surveillance/electronic monitoring equipment shall be used to protect Board property and assets from theft and vandalism, through deterrence and video documentation. The system is not designed nor intended to protect individuals from being victims of violent or property crimes, nor to detect other potentially illegal and undesirable activities that may occur, although information may be used as evidence in such cases. The monitoring of actions and behavior of individuals who come onto school property is a significant factor in maintaining order and discipline and protecting students, staff, visitors, and school and student property.

NOTE: The district reserves the right to recommend more severe discipline based on the nature of the violation.

SUSPENSIONS

IN-SCHOOL SUSPENSION (ISS)

ISS is to help students explore their behavior and learn from their mistakes without jeopardizing their academic status. A student in ISS shall be responsible for their schoolwork and will be given credit for work completed. A student will serve ISS from the beginning of the "regular" school day until the end of the school day, except dual-enrolled students and other situations approved by the administration. If a student is insubordinate or fails to complete assignments, ISS will be extended or the student may be sent home with an out-of-school suspension. Students may not participate in extracurricular activities or practice on the days of ISS.

OUT-OF-SCHOOL SUSPENSION (OSS)

Suspensions may be for up to 10 days as determined by the administrator. While suspended, the student is not allowed on school premises and may not participate or attend any school activity such as athletic events, music concerts, plays, etc. Students assigned to out-of-school suspension are encouraged to keep up with the work of their classes. Students can, however, receive credit for long-term projects provided that they are submitted on the due date and for major tests (trimester tests) when made up on the date of the student's return to school. Teachers are not required to assist students in preparing for the tests or completing the projects.

TECHNOLOGY USE AGREEMENT

GOAL

It is the goal of the District to implement access to the Internet and technology.

DEFINITION

Learning with and about technology prepares learners to live responsibly in an informed and ever-changing society. Learners will use technology for knowledge and skill acquisition, communication and information management, problem solving, creative expression, research, design and product development. Learners become technologically capable when they apply technology across curriculum areas and when technology is used throughout the learning process.

New technologies are shifting the way that information may be accessed, communicated, and transferred. The Internet is a vast, global network, linking computers at universities, K-12 schools, businesses, and other sites. Using the Internet, one can communicate with people all over the world through discussion forums and electronic mail. In addition, many educational resources are available for viewing and downloading.

Users are defined as staff, students, or board members who will be given access to the Internet by either receiving an account through the District or any person using the hardware owned, rented, or housed at the District site.

PURPOSE

The District expects all users to assume full responsibility for their actions and follow the rules as laid out below.

NETWORK/INTERNET GUIDELINES

These guidelines are provided here so that the staff, students, and parents/guardians of students are aware of the responsibilities they are about to acquire. The superintendent may modify these rules at any time by publishing the modified rules on the system. The signatures at the end of this document are legally binding and indicate the parties who signed have read the terms and conditions carefully and understand their significance. Students who knowingly use the Internet to bring inappropriate materials into the school environment will be dealt with according to the discipline policies of the individual school building and board policy, and such activities may result in termination of their access to the system.

PRIVILEGES, RIGHTS AND RESPONSIBILITIES

All users shall keep in mind that when they use the Internet, they are entering a global community, and any actions they take will reflect upon the educational community as a whole. All users shall act in an ethical and legal manner.

The use of electronic information resources is a privilege, not a right. Users may not transfer or share this privilege to other individuals.

After all signatures are obtained on the Internet Use Agreement, users will have the privilege of accessing information through the Internet to support and enhance the school curriculum.

NOTE: The district reserves the right to recommend more severe discipline based on the nature of the violation.

INFORMATION TECHNOLOGY

The District reserves the right to examine all data involved in the Internet link to make sure that all users are in compliance with this policy. The District will deem what is inappropriate use and its decision is final. The District, along with the other organizations sponsoring this Internet link-up, will not be liable for the actions of any user connecting to the Internet.

The user shall be responsible for any damages incurred from intentionally downloading computer software incurred from downloading computer programs, including viruses.

All users will assume full legal and financial liability resulting from their use.

The District specifically denies any responsibility for the accuracy or quality of information obtained through the Internet.

All users will observe all copyright laws including the legal use of images, graphics and texts.

The District makes no warranty of any kind whether expressed or implied for the service it is providing. This includes loss of data resulting from delays, non-deliveries, or any service interruption.

The District will maintain user accounts while the user continues to be a student, employee or board member, unless specific action is taken otherwise to restrict access.

Accessing non-educational multi-user (chat rooms) talk sessions and games are not allowed.

Unauthorized commercial activities, product advertisement or political lobbying is also prohibited.

Use of the school's equipment by for-profit business for community activities is generally not acceptable. Applications for such use should be submitted to the technology department and will be reviewed on a case-by-case basis by the system administrators or advisory committee.

Electronic mail is not guaranteed to be private. People who operate the system do have access to all mail. Inappropriate messages can result in suspension of privileges.

Share the network with others.

Report any security problem on the Internet to a system administrator. Do not demonstrate, share or discuss the problem with other users.

ACCEPTABLE USE

The use of an account must be in support of education and research consistent with the educational objectives of the District.

Transmission of any material in violation of any U.S. or state regulations is prohibited. This includes, but is not limited to: copyrighted material, threatening, sexist, racist, or obscene material, or materials protected by trade secrets.

The users of Chromebooks provided by the District or students who bring their own device will sign an Acceptable Use Policy (AUP).

RULES OF PROPER ETIQUETTE

Be polite. Do not write or send abusive, harassing or threatening messages. Use appropriate language. Do not swear or use vulgar language.

Transmit only educationally appropriate materials. Sending and receiving threatening, indecent, racist, offensive, obscene, or pornographic messages/pictures from any source will result in immediate suspension of privileges.

Protect your identity. Do not misrepresent yourself or other users. Do not communicate any credit card number, bank account, or any other financial information.

Show respect to other users. Do not libel or slander, intentionally seek and/or use the passwords of others, or represent others without express permission to do so.

Respect the integrity of the network. Do not use the network in such a way that would disrupt the use of, harm, or destroy the data of another user, or attempt to bypass or defeat security systems intended to restrict user access.

Use only provided software. Installation or transmission of any software on the system is prohibited.

VANDALISM - TECHNOLOGY

Vandalism is defined as any malicious attempt to harm or destroy the data of another user, the system, the Internet, or any hardware. This includes, but is not limited to, the intentional uploading or creation of computer viruses. Vandalism will result in cancellation of access privileges, disciplinary action and/or prosecution.

DISCIPLINARY ACTIONS

Users violating or demonstrating the intent to violate any of the guidelines set forth in this agreement, or the technology policy and regulations of the District, will face disciplinary action. Depending on the nature and severity of the policy violation, the District may take one or more of the following disciplinary actions.

Users may be banned from using school hardware and software. Users may be required to make full financial restitution for any unauthorized expenses or damages incurred. Users may be required to attend specific training sessions.

TELEPHONES

Emergency phone calls can be made from the Main Office with permission. **STUDENTS ARE NOT TO USE TELEPHONES IN CLASSROOMS, unless they are used as part of the curriculum approved by the teacher.**

NOTE: The district reserves the right to recommend more severe discipline based on the nature of the violation.

TEXTBOOKS

It is the student's responsibility to return textbooks by the end of the trimester. They are to be returned in good condition and ready for others to use. Failure to return textbooks will result in school consequences and/or a charge. If you leave the District, you must return all school materials before you leave.

VEHICLE USE (see "Parking and Driving" above)

Discipline: Violations of parking and driving procedures may result in loss of parking privilege for a period of time. Additionally a police report may be done by administration.

VISITOR POLICY

All visitors to Plainwell High School must report directly to the Main Office. Visitors are requested to sign in and receive a visitor's tag to be worn at all times while in the school building. Any persons who do not follow this procedure will be requested to leave, assisted by the local police if necessary. Entrance to the high school can be accomplished only through the main front entrance after 7:45 a.m. All other doors are secured after this time. Visits to the high school during school hours should be for the purpose of conducting official school business only. Loitering, browsing, socializing, etc., by visitors will not be tolerated. Many alumni and friends of Plainwell High School students request to visit during the day, while school is in session, throughout the year. Visiting is not acceptable, due to the disruption and attention visitors often bring to themselves (usually unintentional), possible confusion, and problems of identification. Those persons obtaining clearance from the Main Office to be in the facility will be issued a pass, which should be visible while in the building and presented upon request by a staff member or administrator.

PART III

ACADEMIC POLICY

ACADEMIC FRAUD/DISHONESTY

Academic fraud/dishonesty is any type of unethical behavior that occurs in relation to a formal academic recordkeeping or coursework. It can include plagiarism, fabrication, deception, cheating and sabotage to academic records and/or school work.

ALTERNATIVE CREDIT FROM RENAISSANCE HS OR OTHER ALTERNATIVE SCHOOL

Students may apply to have credit transferred in from an alternative school. The Plainwell High School registrar, in conjunction with the school principal, will determine the amount of credit to be transferred in based on a student's transcript from another school and the current PHS applicable courses. Any fees still owing from the other school must be paid in full before credit may be awarded. If you have questions, refer to the student services office.

ADVANCED PLACEMENT (AP)

To receive a weighted grade, students must pass both the marking period and the trimester exam at the end of every trimester. During the first trimester of a two trimester course, and the first two trimesters of a three trimester course, the test is the Plainwell final exam. During the final trimester of an Advanced Placement (AP) course, the College Board AP exam may be substituted for the Plainwell final exam.

ALLEGAN COUNTY AREA TECHNICAL EDUCATION CENTER

Plainwell High School juniors and seniors have the opportunity of enrolling in vocational programs at the Allegan County Area Technical Education Center. Students should plan for these opportunities early since many of these vocational programs have specific spacing limitations and requirements. All rules and regulations from the Technical Center will be in effect. Students will need to follow the student handbook from the tech center and from PHS.

Information is available in Student Services or at the link: <https://www.alleganaesa.org/> under the technical education tab, then select technical programs. Technical programs include: accounting, heavy equipment operations/maintenance/repair, auto technology, building trades, CADD, CIS, cosmetology, criminal justice, culinary arts, employability skills, graphic art & design, health care science, machining & CNC technology, marketing & management, small business operations, teacher education, veterinary technical services, and welding.

DRIVING TO THE TECH CENTER

Release forms are available from the Tech Center or PHS Student Services. Students must have written approval from three parties to drive to the Tech Center: the parent, PHS administration and Tech Center administration. Our main concern is with the safety of the student. Students choosing to drive without written permission will be subject to insubordination under the student code of conduct. If students share rides, all parents must approve and sign the release forms for the rider and the driver.

ABSENCES TO THE TECH CENTER

If you are absent from the tech center, you must call them directly at 269-673-3121 to report your absence. (Note: if you are also going to be absent at PHS, your parent will need to excuse your absence with Mrs. McCall by calling 269-685-2430.)

CHARACTER EDUCATION - 8 KEYS OF EXCELLENCE

Our entire school community, staff and students, believe that strength of character supports academic success. Within our school district, we have adopted the 8 Keys of Excellence from the QUANTUM LEARNING NETWORK. COLLEGE VISITS

PHS will honor up to three (3) college visits per year. If proper documentation is provided to the Main Office, the college visit will be considered a field trip, and the visit will not be counted as an absence.

COMMUNITY SERVICE

All students must complete 40 hours of community service to earn a PHS diploma. "Community Service" is activities which students perform to benefit the greater community and for which the student receives no compensation or any type of payment, academic credit, or personal benefit.

COMMUNITY SERVICE GUIDELINES

Students may begin earning community service hours after completion of 8th grade. Hours may be accrued throughout the calendar year, including summers. Hours performed are meant to enhance the learning environment and broaden the student's life experience. Therefore, service hours accumulated are above and beyond the normal school day, per board policy. Forty (40) hours of community service must be completed by May 20th of the student's senior year to be awarded a PHS diploma. Service may be performed for non-profit schools or community organizations and/or for disabled or elderly individuals, excluding friends and family members. Community service may be accrued through organizations such as National Honor Society, Peer Assistant Leaders, scouts, or a church youth group. Anything more than 50% for faith based community service, Hours earned through the church may not exceed more than half of the community service requirements. should be pre-approved by an administrator. Food and clothing drives, yard or highway cleanup, and nursing home visits are all examples of acceptable service. Hours directly related to the propagation of one's faith, such as teaching Sunday school and/or assisting at church, may count toward community service hours. Attending church services does not count. Services performed for any type of business or person that makes a profit will not be accepted. This includes neighborhood associations, maintenance of private clubs and/or organizations in which membership fees/dues are collected. Services performed that have been court assigned cannot be accepted.

The form used for tracking hours and services may be picked up in Student Services. If there is a question regarding whether an activity is acceptable, see a high school administrator prior to beginning the service.

CREDIT/NO CREDIT POLICY

In special circumstances, a class may be taken as credit/no credit rather than for a letter grade based on meeting the following criteria:

- The credit/no credit option must be approved by the principal/assistant principal BEFORE the trimester begins
- The credit/no credit option must be recommended to the principal through the student's IEP, 504 plan, special education case manager, or school counselor
- The credit/no credit is the same as a pass/fail system. Credit is only granted if the student passes the course at 60% or higher.

Special needs students may be better served by a personal curriculum which can modify the number of standards needed to be met in order to receive credit. The principal/assistant principal may make exemptions to this policy for extraordinary circumstances.

A student may retake a course for a better grade. Students must request in writing that the grade on a course retake replace the previous grade on their transcript.

CREDIT RECOVERY

Students who are falling behind in earning credit and risk graduating on time, must work with their counselor on a plan of action to recover credit. In severe situations, students may be assigned to attend Renaissance High School as deemed necessary by the principal. A student may complete courses through our online learning lab by changing their schedule, working after school in the academic enrichment center or completing coursework online from home. These options are approved by the student's respective counselor and school principal.

NOTE: The district reserves the right to recommend more severe discipline based on the nature of the violation.

DUAL ENROLLMENT

There is a new legislation on eligibility for dual enrollment students. A student may dually enroll in a postsecondary institution or career and technical preparation program if they are enrolled in at least one high school class. A district is not permitted to pay for more than 10 total dual enrollment courses for any one student. There are also limits on the number of dual enrollment courses a student may take each year, depending on which year the student first dually enrolls. A student who does not complete or pass a dual enrollment course must repay tuition to the district. Parents and students will most likely end up paying for a portion of these classes. Students may replace only one high school course for each college course taken unless otherwise specified by the student's counselor and approved by the high school principal. Students who are interested in Dual Enrollment should consult "P.H.S. Eligibility for Dual Enrollment with Tuition Assistance" in the dual enrollment handbook. For complete eligibility requirements, check in Student Services or on the District's website.

EARLY GRADUATION

To graduate early, a student must complete all graduation requirements outlined in the Course Description booklet. Prior to February 1, the student must submit a written request to his/her academic counselor and also must complete an early graduation application. All fees must be paid in full prior to March 1. An early graduate may participate in all graduation activities as well as the Junior/Senior Prom.

ENROLLMENT REQUIREMENTS

All students are required to be enrolled in 5 units of credit each trimester or the equivalent. Third trimester seniors may take four (4) units of credit upon approval. Third trimester seniors must have a minimum of one academic class in nature, four or five elective classes are not allowed.

FINAL EXAMS

All students are required to take a final exam. The final exam counts for twenty (20) percent of the grade. If it is absolutely necessary for the student to miss the final exam, the student needs to reschedule the exam with the teacher. No early exams will be permitted. In rare, family emergency circumstances, the administration may approve an early exam.

FINAL EXAM EXEMPTION

Seniors may be exempt from their final exams if the following criteria is met:

- Receive a college ready status on both sections of the SAT and pass the workkeys portion of the test.
- Receive a proficient status on the MME portion of the test.
- Receive a college ready SAT status or proficient MME status in a specific subject to be exempt from the respect final exam.

Note: The list of exempt seniors will be published in April after spring break.

GRADE REPLACEMENT

A student may choose to retake a course for a better grade, the highest grade of the two courses will be applied to the transcript. Both grades remain on the transcript but the higher of the two grades gets the weight. Online courses and college courses need the approval of the principal prior to enrolling in the course in order to qualify for grade replacement.

HOMEWORK

The assignment of homework can be expected. Student grades will reflect the completion of all work, including outside assignments. Homework is also part of the student's preparation for the State mandated test and graduation. Homework will not generally be used for disciplinary reasons but only to enhance the student's learning.

HONORS AND AWARDS

PHS recognizes students at end of the school year in two venues: the Honors Ceremony for Seniors and parents held in May of each year and the Awards Assembly held with the student body in May of each year.

Some specific recognitions include:

Honor Roll – The honor roll is published each 12-week grading period and lists students who had a 3.00 GPA and above. Seniors who have maintained a 3.50 GPA average through eleven (11) trimesters receive a gold cord to wear at graduation.

Honors Diploma – Students that have completed a minimum of five AP courses, including at least one AP course in each core subject, while maintaining a minimum 3.0 GPA on all core courses and meet all PHS and Michigan Merit Curriculum requirements will be granted a Diploma with a gold seal.

Top Honors – Students who earn a weighted, cumulative GPA of 4.0 or greater upon the completion of their 2nd trimester of their senior year are designated as a Top Honor student and receive a medallion in recognition of this achievement.

Attendance Award – Students with perfect attendance will be recognized at the Honors Assembly.

Department Awards – Each department selects its most outstanding senior to receive a certificate

SAT Excellence (formerly the ACT over 30 Club) – Any student who achieves the equivalent of an ACT score over 30.

INCOMPLETES

If a student does not complete the necessary class work because of circumstances beyond his/her control, a grade of "I" (incomplete) will be recorded and the student will be given a reasonable amount of time agreed upon by teacher and student to make up the work and no later than 2 weeks. If it is not done, the "I" will become an "E". If the incomplete is the result of an absence, make-up rules apply even though an incomplete may be marked on the report card.

MAKE-UP WORK

- It is the student's responsibility to make up all assignments made during the student's absence.
- Work assigned before a student's absence is due on the day the student returns, if the student was absent on the due date.
- Schedule for make-up work shall be two days for each one day of absence. Example: If a student is absent for five (5) days, the work that was due the first day of the absence is due two (2) days after the student's return to school. The only work that the teacher would accept after ten (10) days is the work due on the fifth day of absence.
- Make-up work, including tests, may be denied to students who leave school without permission.
- Make up work does not apply to performance based classes where students miss performances that are indicated as part of the student's grade, such as band, choir, PSP, etc.

NOTE: The district reserves the right to recommend more severe discipline based on the nature of the violation.

NATIONAL HONOR SOCIETY

PHS is very proud of its chapter of the National Honor Society. Members of the senior and junior class may choose to apply for membership on the basis of scholarship (3.50 GPA), leadership, service, and character. See the respective teacher adviser.

ATHLETIC ELIGIBILITY

To be considered on track to finish a specified class on time in an online class, a daily average of 1.667% of the class should be completed (100% of the course / 60 days in the trimester = 1.667%/day). For student athletes taking 1 or more online courses as part of their 5 scheduled periods, they will need to complete a minimum of 1.667% of a class per day (8.4% of their course per week), along with a 60% or above for their "Overall" grade. If the "Overall" grade is below 60%, or they have not completed an average of 1.667% per class period per day for the week, this class will be deemed "ineligible" for athletic checks.

Example: Student has 3 class periods of online classes, he or she would need to complete a total of 25.2% course completion to meet the minimum progress. This could mean the student completed 8.4% in each class, or worked solely on 1 class and completed 25.2%

ONLINE CREDIT

Classes may be taken for credit only from an accredited institution and with **pre-approval** from the student's counselor and/or an administrator.

PEER ASSISTANCE LISTENERS (PALS)

Following the successful completion of the PALS class, students are scheduled to be available at the high school, middle school, and elementary buildings to help with a variety of problems, including academic and personal problems. A "PAL" will have their choice of placement and serve as a positive role model, tutor, teacher's aide, buddy, etc. A listing of PALS is available in Student Services.

PERSONAL CURRICULUM

The personal curriculum (PC) is a tool for modifying the Michigan Merit Curriculum (MMC) for an individual student. Please see your counselor for a guide to help determine when a personal curriculum may be appropriate. The State Statute allows a change in the MMC in four specific incidents: to go beyond the academic credit requirements, to modify the mathematics requirement, to modify credit requirements with an Individualized Educational Plan (IEP) or to modify credits for a transferred student. See the "Annual Notice on the Right to Request a Personal Curriculum" found on the high school's web page.

RENAISSANCE HIGH SCHOOL

Once students enroll at Renaissance High School, in order to return to Plainwell High School, students must demonstrate success both academically and in their behavior. Examples of evidence for success are as follows:

1. Passing all classes with a GPA of 2.00
2. 75% attendance within the last 9-week period
3. Good/excellent citizenship and behavior with no suspensions
4. A recommendation letter from the senior instructor and director

Final decision will be made by high school administration and counseling staff.

SCHEDULE CHANGES

The process of course selection and schedule development is a critical step in the academic process. Course selection begins in February with small group meetings. All initial requests are completed in February in small groups with the student's counselor. All graduation requirements and course prerequisites are discussed thoroughly. Students will be provided with an individual copy of their requests to take home and have parents sign for return to the school. Returning the form is the responsibility of the student.

After students submit their course selections a master schedule is developed. The master schedule has a tremendous impact on numerous academic decisions. The allocation of staff, whether a course will be offered, and resources needed are all derived by the projected course enrollment done during the course selection process. Schedules are given to students in August during orientation. We request that students make any necessary changes for all three trimesters at that time. We will work with students on a case-by-case basis but can not assure that all changes will be possible.

Once the school year has begun, schedule change options are limited. We do recognize that there are extenuating circumstances. Students are given the deadline of the first day of the trimester to make any schedule changes. As a rule of thumb, no schedule changes will be made once classes begin. If you would like to make a change to your schedule after the trimester has begun, you must pick up an application in the student services office. Applications will be available only on the first day of the trimester, the deadline for these forms to be returned is noon the the second day of the trimester. Each request will be considered by a committee.

NOTE: The district reserves the right to recommend more severe discipline based on the nature of the violation.

Reasons for schedule changes are as follows:

- Not having a full class schedule.
- Failure to meet a class prerequisite.
- Summer school course work completed or failed.
- Incorrect placement. (True error; change of mind is not an unacceptable reason)
- Teacher recommendation for class level change.
- Medical issues with proper documentation.
- Adding an academic course to replace an elective.

Schedule changes for the following reasons will not be considered:

- Teacher requests
- Specific period requests
- Lunch requests
- Changed mind about a class.

The school reserves the right to change a student's schedule to balance classes and meet graduation requirements. These will not count towards the one requested change per year. Unfortunately, we are unable to honor specific requests for teachers.

SELECTIVE SERVICE

Please be advised that the Federal Government requires all male students upon the age of 18 to register for the selective service. Per school board policy, this is your official notification.

STUDENT ASSESSMENT

In order to be eligible to participate in graduation or graduation activities, students must actively participate in the State and District assessments given in the spring of the junior year. Students must demonstrate that they are working and applying themselves to their maximum potential on the exams.

STUDENT PROGRAMS

Plainwell High School recognizes that students have a variety of non-academic needs. The following student programs assist these students on an as needed basis: PALS – trained peer assisted leaders are available to support and talk to students on a request basis; Peer Mediation – is an alternative for students who have a conflict to work through and resolve an issue (in lieu of discipline) as recommended by a staff member or administrator; Quiet Heroes is an anti-bullying, immediate, peer intervention program that assists students who are being bullied; and Teen Leadership is a course that builds leadership skills within the school and promotes public speaking and positive student engagement. Ask for a "clubs" brochure for other student programs.

SUBSTANCE ABUSE SELF DISCLOSURE

Any student who by himself/herself, or with their parent/legal guardian, voluntarily discloses to a counselor or administrator that they are in need of help due to substance abuse prior to any reports, charges or complaints shall be assisted to undergo a substance abuse evaluation & recovery program at the family's expense. A student who completes a substance abuse recovery program shall be able to apply for/try out for any extra-curricular programs without judgment. These situations will remain confidential. Plainwell High School respects students who come forward to get assistance and will do whatever is reasonable to assist the student in reaching their goals.

TESTING OUT

Students who believe they have already mastered course material may have the opportunity to "test out" of a course. Testing out successfully waives the specific requirements of the course and permits the student to take more advanced courses in this area. Test waivers cannot be requested once a class begins (See Board policy #5460B). Materials may be picked up after August 15 for 1st trimester. All test out exams are administered during end of trimester exams. Materials may be picked up at anytime prior to the exam. Please leave adequate time for the department chair to gather the materials.

WAYS TO EARN CREDIT

1. Take the class and pass (traditional)
2. Retake failed class (online or traditional)
3. Test out of a class, earn 77% plus additional measures as applicable (For Students who never took the class in the past)
4. Take the class and fail, but pass final with a 77% or better, complete additional measures per department policy. Student will present materials to a committee as selected by administration. Teacher will give student an Incomplete for the class and the student will have 1 week to complete additional measures such as portfolio, speech, etc. Committee will award or deny credit based on mastery. If the student has 8 or more absences, then Maximum Days absent applies.

NOTE: The district reserves the right to recommend more severe discipline based on the nature of the violation.

WEIGHTED GRADES

PHS believes in encouraging students to take challenging courses. To that end, PHS will provide students with a weighted grade for their efforts. In order for a course to receive a weighted grade, the course must be substantially more difficult than a traditional high school course. There are three (3) separate weighted grade policies:

1. AP Courses – offered at PHS and are weighted on a 5.0 scale
2. Honors world religion are weighted on a 4.5 scale
3. College courses above the 300 level will be weighted on a 5.0 scale.
4. Any ATYP= English course will be weighted.

No other courses will be weighted without prior approval from the principal, instructor, and department chair.

WITHDRAWAL FROM SCHOOL

No student under the age of eighteen (18) will be allowed to withdraw from school without the written consent of his/her parent/guardian. For more information on attendance laws, refer to Revised School Code under MCI 380.1561.

NOTE: The district reserves the right to recommend more severe discipline based on the nature of the violation.

PART IV

STUDENT CODE OF CONDUCT

NOTE:

ISS = In-school suspension

OSS = Out-of-school suspension

CODE OF CONDUCT GUIDELINES

All students and staff have the right to be treated with respect and courtesy; teach and learn without disruption; feel safe and be safe.

We expect the behaviors listed below, and in the following pages, to be strictly followed:

- abide by national, state, and local laws, as well as the rules of the school;
- respect the civil rights of others;
- school rules apply anytime you are on PCS Campuses or any school event, not just during school hours;
- act courteously to adults and fellow students;
- be prompt to school and attentive in class;
- work cooperatively with others when involved in accomplishing a common goal, regardless of the other's ability, gender, race, religion, height, weight, disability, or ethnic background;
- complete assigned tasks on time and as directed;
- help maintain a school environment that is safe, friendly, and productive;
- act at all times in a manner that reflects pride in self, family, and in school.

The authority of the Board of Education is to suspend or expel students and to make reasonable rules and regulations necessary for the proper establishment, maintenance, and management of the public schools and student conduct. This authority was granted in the State of Michigan's Revised School Code. These rules apply to any student who is on school premises, in a school-related vehicle, at a school-sponsored activity, or whose conduct at any time or place directly interferes with the education, operations, discipline, or general welfare of the school. Offenses are cumulative during the student's high school years. Students may be subject to emergency suspension if the student's presence poses an immediate and continuing danger to self, others, school personnel, or a substantial disruption to the educational process.

Students will also be subject to suspension or expulsion if the conduct occurred out of school and has a direct and immediate adverse effect either on the school discipline or on the general safety and welfare of students or staff. When the nature of an offense permits, discipline will be progressive with the intent to provide guidance and counseling. Severe offenses proceed directly to an advanced level of action. Some activities may be violations of civil or criminal law and could be subject to legal actions by city authorities against the student and/or parent. It is impossible to list all of the possible kinds of inappropriate behaviors for which students may be subject to discipline. However, the following is a list of examples of behaviors for which discipline will be taken. Plainwell Community Schools celebrates the participation and success of each and every student. Each student deserves the opportunity to learn and develop the skills necessary to be a responsible citizen.

Anyone committing the following actions is in violation of State Law: Distribution/intent to distribute drugs, alcohol (on/off campus), assaulting a staff member, possession of a weapon, criminal sexual conduct, making a bomb threat, false fire alarm, or arson. Violators will be suspended immediately; police will be contacted, and a recommendation for expulsion will be made to the superintendent and the Board of Education.

The following offenses will not be tolerated: Assault on another student (fighting), willful disobedience, theft or extortion, use and/or possession of tobacco and other illegal substances, vandalism – including graffiti, threats and intimidation, repeated suspension, bullying, verbal assault, harassment, related to, but not limited to (race, gender, age, handicap), and/or hazing. Students who repeat these offenses will be subject to progressive discipline, which may lead to a recommendation for expulsion while ensuring due process rights.

PROGRESSIVE DISCIPLINE

We want our students to have the opportunity to learn from their mistakes and improve behavior. It is important that students and parents see that disciplinary measures are progressive. In other words, the penalties are more severe with each additional offense of a given behavior.

We also commit to work at educating our students regarding the proper way to behave and will appreciate the chance to work cooperatively with both students and their parents. We believe that this is the best way to assure that all of our students have every chance to learn and enjoy their education in a safe and orderly environment.

NOTE: The district reserves the right to recommend more severe discipline based on the nature of the violation.

DISCIPLINARY APPEALS

You have due process rights, which allow you and your parents the opportunity to request reconsideration of disciplinary consequences longer than three days. Please refer to Plainwell's Board Policies for further information on the appeal process.

If the result indicates a violation of school rules, as described in this handbook, the student will be disciplined in accordance with disciplinary procedures described in this handbook.
