PLAINWELL

COMMUNITY SCHOOLS COVID-19 DASHBOARD

Each week, Plainwell Community Schools will share an update to their COVID-19 Dashboard to keep the PCS Families and Community informed on cases in our district.

When a positive case is reported to PCS, they will work with the Allegan County Health Department who will provide the district with steps to ensure the safety of our students & staff.

STAY SAFE | STAY HEALTHY

PLEASE NOTE: Unless noted for a specific building, the above statistics do not represent individual buildings. Not all buildings have a student or staff member who has tested positive. A student or staff member in quarantine does not necessarily mean that a positive case has been determined, they could be in quarantine due to direct contact or displaying symptoms of COVID-19.
